This year of 2019 marks four hundred years since the first African slave landed on the shores of this country. Over those years a beautiful people suffered through some of the most horrid conditions, but throughout all that time of pain and agony, they began the process of creating a mighty race and culture.

four-hundred years - Italian translation - Linguee

Years that are within the first 100 years of a new millenium can be read as whole numbers even though they have four digits, or they can be read as

two two-digit numbers. Millennia are always read as whole numbers because they would be difficult to pronounce otherwise.

Numbers in English | English Grammar | EF

He has a four year old boy. In the first sentence, you would not use hyphens. In the second sentence, you would, making it four-year-old boy. This is because the phrase four year old is modifying the noun boy. A good clue to determine whether you should hyphenate the year old phrase is to see if a noun comes after it.

Years old: Hyphen or no hyphen? | Grammar Party

Hundred Years' War: Hundred Years' War, an intermittent struggle between England and France in the 14th–15th century over a series of disputes, including the question of the legitimate succession to the French crown. By convention it is said to have lasted from 1337 to 1453, but there had been periodic fighting since the 12th century.

Four Hundred Years - Transmit Failure LP

The most influential book ever written in English marks its 400th anniversary this year. In 1611, a monumental project came to completion that had engaged more than 50 of England's finest scholars for seven years—an English-language Bible translation that remains widely treasured as a masterpiece of scholarship, clarity and beauty of expression.
