Unfortunately, this application was originally attributed to a senior citizen who had applied at Walmart about a year ago. It seems that this young man might have plagiarized some of those answers from that published application to use as his own. I wish that the young man had been more original and creative than to use some of the answers verbatim.

One of the most common mistakes in filling in application forms is that candidates lose sight of the requirements of the role that they're applying for. If it's a marketing role, you need to tailor your answers to show your skills in a marketing sense, and use the questions to demonstrate your abilities and experience.
