

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

The graph below shows a production possibility frontier for cheese and bread. Use the graph to answer the question below.

Which of the points on the graph to the right illustrate productive efficiency?

A
 B
 C
 D
 E
 F
 G

Incorrect.
There are four points that exhibit productive efficiency.

Productive efficiency is when it is impossible to produce more of one good without decreasing the quantity produced of another good. Any point on the production possibilities frontier exhibits productive efficiency.

Point D represents the socially optimal point or, in other words, it illustrates:

marginal efficiency.
 opportunity efficiency.
 allocative efficiency.
 normative efficiency.
