The Art of Teaching Piano | Open Library

Piano teaching is a profession that is rewarding but also challenging. It suits people who are fascinated with human behaviour and an art form which demands some of the most complicated feats of human coordination. It must be remembered that to know the literature alone is probably too big a task for one lifetime.

Join UWM piano faculty members for a festive day celebrating Mozart's keyboard genius! The event will focus on an in-depth exploration of Mozart's piano music. Festival sessions will touch on style and interpretation in performance and pedagogy, and will include informative workshops, panel discussions, masterclasses, and more.

Piano Festival: The Art of Teaching Mozart | UW-Milwaukee ...

Some piano teachers stick with one method throughout the course of their careers, while others take some time to learn about the child and adjust their teaching method accordingly. Ultimately, the best method depends on the preferences of both the child and the teacher, some some experimentation may be necessary.

What Are the Best Methods for Teaching the Piano?
