The Freesia. Amongst one of the most celebrated cut British flowers on the planet, many enjoy the Freesia's natural beauty. Named after the German Physician Dr. Friedrich Heinrich, they first arrived in Europe at the end of the 19th century. Today, more than 110 million stems are sold annually.

Most Popular British Flowers | Pollen Nation

Cottage garden. Flowers common to early cottage gardens included traditional florists' flowers such as primroses and violets, along with flowers with household use such as calendula and various herbs. Others were the richly scented old-fashioned roses that bloomed once a year, and simple flowers like daisies.

Garden identifier to British wildflowers. Interestingly, many of our wildflowers aren't native, but are actually archaeophytes – plants that were introduced to the British Isles prior to 1500 CE and have since become naturalised. Many were introduced by our Neolithic ancestors. Examples of this include field poppies (*Papaver rhoeas*) and corn cockles (*Agrostemma githago*).
